

New Work Evolution 2023 – Don't miss it!

Where and when:

May 23rd to 26th 2023

at exhibition center Karlsruhe (Parallel to **LEARNTEC**)

What can you expect?

- Southern Germany's leading trade fair in the field of New Work with more than 30 exhibitors
- 15.000 trade visitors
- Modern working environments and corporate culture
- Exchange ideas with experts of the New Work industry
- Best practice examples
- Stage with specialist lectures
- Four main topics:

Why you should be a part of the New Work Evolution?

- Meet your target group on three days of the trade fair
- Use the New Work Evolution as your „stage“
- Perfect platform to convince new costumers of your new work products and services
- Minimal planning effort due to individual and attractive uniform stand construction, completely from one source

Target group:

- Decision-makers from companies and institutions
- Consultants
- Architects
- Designers
- New Work users
- Persons responsible for continuing training
