

LEARNTEC '27 - Worksheet for submissions

Digital Learning meets AI – at EUROPE'S NO. 1

LEARNTEC

2 – 4 February 2027
Messe Karlsruhe

Use this worksheet to create your proposal before submitting it to our [Call for Papers portal](#).

This worksheet will help you with the following:

1. Review and develop the requirements for your proposal before you enter it into the system.
2. You can easily share your proposal with others to solicit feedback.

Please download a copy of the worksheet, complete it and then upload your document to the [tool](#). Please name the document as follows: Last name_Subject_Date.

1. General information
