

Everything about the various functions of talque

1. Agenda

Under **“Agenda”** you can view all program items for all three days of **LEARNTEC**. Use the filter function and select your topics and areas of interest. Click on the **“Participate”** button in a presentation to create your personal schedule for the trade fair. Your customized agenda will be displayed as soon as you click on the button with the asterisk at the top of the bar.

2. hallplan

Click on the **“hallplan”** to see the hall plan of **LEARNTEC**. By zooming in on the hall, you can recognize the individual exhibitors. Click on a stand and you will be taken directly to the exhibitor profile. If you click on a stage, you will be shown the program taking place there, including times, speakers and content.

Also the toilet, lockers, charging stations, first aid station, bus stop, ATM and much more are signposted. Click on the buttons to get a description and overview of these points.

Example icons:

You can also click on **“Tours”**. This will take you directly to the overview of tours that you can take if you are interested.

3. Participants

You can find all registered visitors and exhibitors under the **“Participants”** button. If you are interested, you can chat to the person directly and arrange meetings on site. You can filter by **“Best matches”** and **“Speakers & moderators”**.

LEARNTEC

5 - 7 May 2026
Karlsruhe Trade Fair Centre

4. Exhibitors

Click on **“Exhibitors”** to see all exhibitors who are represented with a stand at **LEARNTEC**. The respective profiles contain a description, address, hall and stand number. You can also see the exhibitors’ product classification. By clicking on the exhibitors’ products in the profiles, you can go directly to the corresponding product profile, which also contains a description and image.

Find out about interesting exhibitors and their products here!

5. Products

Directly next to the “Exhibitors” button, you can access the exhibitors’ product profiles via the **“Products”** button. All products are listed here once again, and you can filter by the various classifications on the left-hand side.

6. News

The **“News”** button provides you with the latest news throughout the three days of the trade fair. For example the keynotes taking place, award ceremonies and much more.

7. Info

Under **“Info”** you will find information about **LEARNTEC** and the exhibition grounds in general. For example the opening hours, charging stations for e-cars, checkroom & lockers and much more is explained here.

8. Tours

You are interested in a specific subject area, but don't know where to find the right exhibitors and program items? Click on **“Tours”** to see all the self-guided tours we have created. Here you can select your desired topic and the appropriate exhibitors and program items will be displayed directly in the hall plan. You can therefore take your own tour at your own pace.

9. Vouchers:

Under **“Vouchers”** you will find vouchers from exhibitors, which you can redeem directly at their stand. For example, for a coffee or a smoothie.
